## THE AMERICAN JOURNAL OF MATERNAL/CHILD NURSING

Index to Volume 14

January to December 1989

Frederick W. Pattison, MSLS, Indexer

### SUBJECT INDEX

#### A

- Abnormalities, Drug-Induced**
  - New teratogens: accutane and other vitamin-A analogs (Thomson, Cordero) 244
- Abortion**
  - Webster v reproductive health services (Rhodes) 423
- Acquired Immunodeficiency Syndrome**
  - AZT for children with AIDS (Engel) 121
- Adolescent Nursing**
  - Sorrow: leukemia through a teenager's eyes (Bosworth) 93
- American Nurses' Association**
  - ANA changes: a challenge for practicing nurses (ed) 385
- Amniotic Fluid**
  - Relieving fetal distress with amnioinfusion (Knorr) 346
- Anabolic Steroids**
  - Anabolic steroid use among high school athletes (Engel) 417
- Anencephaly**
  - Ethical issues of transplanting organs from anencephalic newborns (Fries) 412
- Athletes**
  - Anabolic steroid use among high school athletes (Engel) 417

#### B

- Birth Defects**
  - New teratogens: accutane and other vitamin-A analogs (Thomson, Cordero) 244
- Blood Vessel Prosthesis**
  - Hypoplastic left heart syndrome: treatment options (Smith, Vernon-Levett) 180
- Bradycardia**
  - Managing fetal bradycardia during second stage of labor (Roberts) 394
- Breast Feeding**
  - Can a breast-feeding mother take medication without harming her infant? (Nice) 27
  - Networking to implement effective health care (Harter and others) 387
  - Weaning patterns of first-time mothers (Williams, Morse) 188

- Breast Self-Examination**
  - Life-saving patient education: breast self-examination (Harrison) 315
- Bulletin Board (Department)**
  - Coloring book for older siblings 284
  - Hospice care for children 282
  - MCN convention poster session topics announced 54
  - Toll-free hotline provides nutrition for pregnant women 282

#### C

- Case Study**
  - Single case research (Haller) 378
- Causality**
  - Determining causality (Haller) 66
  - Nonexperimental approaches to determining causality (Haller) 148
- Cesarean Section**
  - Putting patient-controlled analgesia to the test (Bucknell, Sakorski) 37
- Child Day Care Centers**
  - Health-education program for day-care centers (Gillis and others) 266
- Child, Hospitalized**
  - Fitting care to the sick infant or child (ed) 303
- Chronic Disease**
  - Educating classmates and teachers of chronically ill or disabled children (Harrison) 425
- Circumcision**
  - Lidocaine dorsal penile nerve block for circumcision (Engel) 311
- Cocaine Abuse**
  - Care of infants menaced by cocaine abuse (Lewis and others) 324
- Con genital Defects**
  - Wrongful birth and wrongful life (Rhodes) 171
- Collaboration**
  - Collaboration: needed more than ever (ed) 153
- Continuing Education (Department)**
  - Breastfeeding triage tool (Jolley) (rev DiMauro) 141
  - Childbirth in America: anthropological perspectives (Michaelson) (rev Hall) 360
  - Home health administration (Harris) (rev Kelley) 290
  - ICEA guide for childbirth educators (Packham) (rev Thompson) 52

- Primacy of caring: stress and coping in health and illness** (Benner, Wrubel) (rev Ballard) 290
- Smoke-free guide: how to eliminate tobacco smoke from your environment** (Galloway) (rev Carmon) 141
- Toward a science of family nursing** (Gillis and others) (rev Gutierrez) 206
- Costs and Cost Analysis**
  - Recurrent teen pregnancy: making it less desirable (Moore) 104
- Crisis Intervention**
  - Crisis prevention in an outpatient surgery center (Isaacs) 352
- Cystic Fibrosis**
  - Old-fashioned care still makes the difference (McVety) 126
  - Pregnancy made possible for women with cystic fibrosis (MacMillen, Brucker) 196

#### D

- Decision Making**
  - Ethical issues raised by new treatment options (Smith) 183
- Diabetes Mellitus, Insulin-Dependent**
  - Developmental approach to diabetes in children: Part 1. Birth through preschool (Lipman and others) 255; Part 2. School age—adolescence (Lipman and others) 330
- Disabled**
  - Educating classmates and teachers of chronically ill or disabled children (Harrison) 425
  - Mothers with impaired mobility speak out (Kopale) 115
- Drug Therapy**
  - Can a breast-feeding mother take medication without harming her infant? (Nice) 27

#### E

- Eating**
  - When eating doesn't come naturally (McNichol) 23
- Editorials**
  - A professional obligation 7
  - ANA changes: a challenge for practicing nurses 385
  - Collaboration: needed more than ever 153

Fitting care to the sick infant or child 303  
 Spreading the word about infant mortality 73

**Employment**  
 Combining mothers' employment and motherhood (Tiedje, Collins) 9

**Encephalitis**  
 Fecal incontinence in children: a clinical update (Stroh and others) 252

**Enteral Feeding**  
 Looking twice at feeding tube use: Part 1 MIC or Foley: comparing gastrostomy tubes (Huddleston and others) 23; Part 2 When eating doesn't come naturally (McNichol) 23

**Enuresis**  
 Bedwetting: a family's recurrent nightmare (Gibson) 270

**Erythromycin**  
 Erythromycin for idiopathic preterm labor (Engel) 277

**Ethics**  
 Ethical issues raised by new treatment options (Smith) 183

**Expert Testimony**  
 Expert witness (MFOLID) (Rhodes) 49  
 Judging nursing practice (Rhodes) 123

## F, G

**Fetal Alcohol Syndrome**  
 Is fetal alcohol syndrome completely irreversible? (Earbourn) 44

**Fetal Distress**  
 Relieving fetal distress with amnioinfusion (Knorr) 346

**Foley Catheters**  
 MIC or Foley: comparing gastrostomy tubes (Huddleston and others) 20

**Genetic Counseling**  
 Minimizing the liability risks of genetic counseling (Rhodes) 313

**Genetic Disorders**  
 Wrongful birth and wrongful life (Rhodes) 171

**Grief and Loss Committee**  
 Sorrow: nursing care to ease parents' grief (Null) 84

**Grief**  
 Sorrow: nursing care to ease parents' grief (Null) 84

## H

**Health Education**  
 Health-education program for day-care centers (Gilliss and others) 266

**Heart Defects**  
 Kawasaki disease: new challenges in care (McEnhill, Vitale) 406

**Heart Ventricle, Abnormalities**  
 Hypoplastic left heart syndrome: treatment options (Smith, Vernon-Levett) 180

**Helminthiasis**  
 What's the most common helminth infection in the U S? (Katzman) 193

**History of Nursing**  
 Lessons from the past (Arnold and others) 75

**Home Nursing**  
 Teaching parents to provide home-care for ventilator-dependent children (Harrison) 281

**Hyperbilirubinemia**  
 Treating hyperbilirubinemia (Wilkerson) 32

**Hyperlipidemia**  
 Forecasting the progress of heart disease (Gates, McClure) 148

**Hypoplastic Left Heart Syndrome**  
 Ethical issues raised by new treatment options (Smith) 183  
 Hypoplastic left heart syndrome: treatment options (Smith, Vernon-Levett) 180

## I

**In Brief (Department)**  
 How nurses can lay the planks of a successful publicity campaign (Holliday) 200  
 Old-fashioned care still makes the difference (McVety) 126

**Incubators, Infant**  
 Inside the incubator (Weibley) 96

**Infant Mortality**  
 Assessment and education to prevent preterm labor (Johnson) 157  
 Improving the infant mortality rate by reducing the premature birth rate 155  
 Lessons from the past (Arnold and others) 75  
 National commission acts on behalf of children (Grad) 237  
 Sorrow: as birth and death coincide (Johannsen) 89  
 Spreading the word about infant mortality (ed) 73  
 Terbutaline by pump to prevent recurrent preterm labor (Gill and others) 163

**Infant, Hospitalization**  
 Routine care: promoting development in hospitalized infants (Nugent) 318

**Infant, Newborn**  
 Care of infants menaced by cocaine abuse (Lewis and others) 324  
 Sorrow: as birth and death coincide (Johannsen) 89  
 Thoughtful evaluation needed—urgently (ed) 235

**Infant, Premature**  
 Assessment and education to prevent preterm labor (Johnson) 157  
 Erythromycin for idiopathic preterm labor (Engel) 277  
 How the NICU environment sounds to a preterm infant (Thomas) 249

Improving the infant mortality rate by reducing the premature birth rate 155  
 Inside the incubator (Weibley) 96  
 Terbutaline by pump to prevent recurrent preterm labor (Gill and others) 163

**Infants**  
 Healing touch (Leduc) 41

**Infants, High Risk**  
 Teaching stimulation strategies to parents of infants at high risk (Harrison) 125

**Injections, Intramuscular**  
 Putting patient-controlled analgesia to the test (Bucknell, Sikorski) 37

**Insulin**  
 Insulin therapy in pregnancy (Engel) 19

**Interprofessional Relations**  
 Collaboration: needed more than ever (ed) 153

## J, L

**Jaundice, Neonatal**  
 Treating hyperbilirubinemia (Wilkerson) 32

**Jurisprudence**  
 Cases on the tort of "wrongful life" (Rhodes) 279  
 Expert witness (MFOLID) (Rhodes) 49  
 Judging nursing practice (Rhodes) 123  
 Webster v reproductive health services (Rhodes) 423  
 Wrongful birth and wrongful life (Rhodes) 171

**Labor Suite, Second**  
 Managing fetal bradycardia during second stage of labor (Roberts) 394

**Leadership**  
 ANA changes: a challenge for practicing nurses (ed) 385

**Leukemia**  
 Sorrow: leukemia through a teenager's eyes (Bosworth) 93

**Lidocaine**  
 Lidocaine dorsal penile nerve block for circumcision (Engel) 311

## M

**MCN Convention Poster Sessions in Print (1989)**  
 273, 356, 415

**MCN Focus on Legal Issues (Department)**  
 Cases on the tort of "wrongful life" (Rhodes) 279  
 Expert witness (MFOLID) (Rhodes) 49  
 Judging nursing practice (Rhodes) 123  
 Minimizing the liability risks of genetic counseling (Rhodes) 313  
 Webster v reproductive health services (Rhodes) 423  
 Wrongful birth and wrongful life (Rhodes) 171

**MCN Focus on Patient Teaching (Department)**  
 Educating classmates and teachers of chronically ill or disabled children (Harrison) 425  
 Interacting with videodisc technology (Harrison) 173  
 Life-saving patient education: breast self-examination (Harrison) 315  
 Patient education bridge (Harrison) 51  
 Teaching parents to provide home-care for ventilator-dependent children (Harrison) 281  
 Teaching stimulation strategies to parents of infants at high risk (Harrison) 125

**MCN Keys to Research (Department)**  
 Building a research team (Haller) 296  
 Determining causality (Haller) 66  
 Nonexperimental approaches to determining causality (Haller) 148  
 Preparing the research proposal: half science, half art (Haller) 230  
 Single case research (Haller) 378  
 Small sample research (Haller) 436

**MCN Pharmacopoeia (Department)**  
 Anabolic steroid use among high school athletes (Engel) 417  
 AZT for children with AIDS (Engel) 121  
 Erythromycin for idiopathic preterm labor (Engel) 277  
 Insulin therapy in pregnancy (Engel) 19  
 Lidocaine dorsal penile nerve block for circumcision (Engel) 311  
 Multiple drug therapy for pediatric tuberculosis (Engel) 169

**Medical Innovation Composition**  
 MIC or Foley: comparing gastrostomy tubes (Huddleston and others) 20

**Mental Retardation**  
 Teaching parents about their impaired adolescent's sexuality (Taylor) 109

**Mothers**  
 Combining mothers' employment and motherhood (Tiedje, Collins) 9  
 Mothers with impaired mobility speak out (Kopala) 115

**Mothers, Education**  
 Assessment and education to prevent preterm labor (Johnson) 157

## N, O

**Neonatal Intensive Care Unit**  
 How the NICU environment sounds to a preterm infant (Thomas) 249  
 Inside the incubator (Weibley) 96

**Networking**  
 Networking to implement effective health care (Harter and others) 387

**Nipples**  
 Sore nipples: the new mother's nemesis (Walker, Driscoll) 260

**Noise Levels**  
 Inside the incubator (Weibley) 96

**Norwood Operation**  
 Hypoplastic left heart syndrome: treatment options (Smith, Vernon-Levett) 180

**Nursing Care**  
 Old-fashioned care still makes the difference (McVety) 126

**Nursing Research**  
 Determining causality (Haller) 66  
 Wearing patterns of first-time mothers (Williams, Morse) 188

**Obstetric Nursing**  
 Thoughtful evaluation needed—urgently (ed) 235

**Oncologic Nursing**  
 Sorrow: leukemia through a teenager's eyes (Bosworth) 93

**Operating Room Nurses' Day**  
 How nurses can lay the planks of a successful publicity campaign (Holliday) 200

## P

**Pain Measurement**  
 Putting patient-controlled analgesia to the test (Bucknell, Sikorski) 37

**Parent-Child Relations**  
 Intergenerational education in human sexuality (Lowry, McGinnis) 341

**Parents**  
 Sorrow: as birth and death coincide (Johannsen) 89  
 Sorrow: nursing care to ease parents' grief (Null) 84  
 Teaching parents about their impaired adolescent's sexuality (Taylor) 109  
 Teaching stimulation strategies to parents of infants at high risk (Harrison) 125

**Parents' Education**  
 Teaching parents to provide home-care for ventilator-dependent children (Harrison) 281

**Parish Nurse**  
 Minister of health (Carlson) 305

**Patient-Controlled Analgesia**  
 Putting patient-controlled analgesia to the test (Bucknell, Sikorski) 37

**Patient Education**  
 Life-saving patient education: breast self-examination (Harrison) 315  
 Patient education bridge (Harrison) 51  
 Teaching stimulation strategies to parents of infants at high risk (Harrison) 125  
 When eating doesn't come naturally (McNichol) 23

**Pediatric Nursing**  
 Lessons from the past (Arnold and others) 75

**Peer Group**  
 Educating classmates and teachers of chronically ill or disabled children (Harrison) 425

**Phototherapy**  
 Treating hyperbilirubinemia (Wilkerson) 32

**Pinworms**  
 What's the most common helminth infection in the U S? (Katzman) 193

**Pregnancy**  
 Pregnancy made possible for women with cystic fibrosis (MacMullen, Bruckner) 156  
 Ribavirin's risks in reproduction—how great are they? (Prows) 400

**Pregnancy in Adolescence**  
 Recurrent teen pregnancy: making it less desirable (Moore) 104

**Pregnancy and Diabetes**  
 Insulin therapy in pregnancy (Engel) 19

**Professional Nursing Practice**  
 A Professional obligation (ed) 7  
 Judging nursing practice (Rhodes) 123

**Professionally Speaking (Department)**  
 Assessment and education to prevent preterm labor (Johnson) 157  
 Combining mothers' employment and motherhood (Tiedje, Collins) 9  
 Lessons from the past (Arnold and others) 75  
 Minister of health (Carlson) 305  
 National commission acts on behalf of children (Grad) 237  
 Networking to implement effective health care (Harter and others) 387

**Public Relations**  
 How nurses can lay the planks of a successful publicity campaign (Holliday) 200

**Pumps**  
 Terbutaline by pump to prevent recurrent preterm labor (Gill and others) 163

## R, S

**Religion and Nursing**  
 Minister of health (Carlson) 305

**Research Proposal**  
 Preparing the research proposal: half science, half art (Haller) 230

**Research Team**  
 Building a research team (Haller) 296

**Respiratory Tract Infections**  
 Health-education program for day-care centers (Gilliss and others) 266

**Ribavirin, Adverse Effects**  
 Ribavirin's risks in reproduction—how great are they? (Prows) 400

**Sampling Studies**  
 Small sample research (Haller) 436

**Schools**  
 Educating classmates and teachers of chronically ill or disabled children (Harrison) 425

## Sex Education

- Intergenerational education in human sexuality (Lowry, McGinnis) 341  
Teaching parents about their impaired adolescent's sexuality (Taylor) 109

## Sound

- How the NICU environment sounds to a preterm infant (Thomas) 249

## Suicide

- Thoughtful evaluation needed — urgently (ed) 235

## Suicide, Attempted

- Coping with suicidal behavior (Gemma) 101

## Surgicenters

- Crisis prevention in an outpatient surgery center (Isaacs) 352

## T, U

## Teaching

- Teaching parents about their impaired adolescent's sexuality (Taylor) 109

## Teratogens

- Ribavirin's risks in reproduction — how great are they? (Prows) 400

## Terbutaline

- Terbutaline by pump to prevent recurrent preterm labor (Gill and others) 163

## Therapeutics

- Healing touch (Leduc) 41

## Touch

- Healing touch (Leduc) 41

## Transplantation

- Ethical issues of transplanting organs from anencephalic newborns (Fries) 412

## Tuberculosis in Childhood

- Multiple drug therapy for pediatric tuberculosis (Engel) 169

## Twins

- Sorrow: as birth and death coincide (Johannsen) 89

## U S National Commission to Prevent Infant Mortality

- Lessons from the past (Arnold and others) 75  
National commission acts on behalf of children (Grad) 237

## V, W, Z

## Ventilators, Mechanical

- Teaching parents to provide home-care for ventilator-dependent children (Harrison) 281

## Videodisc Recording

- Interacting with videodisc technology (Harrison) 173

## Vitamin A

- New teratogens: accutane and other vitamin-A analogs (Thomson, Cordero) 244

## Weaning

- Weaning patterns of first-time mothers (Williams, Morse) 188

## Working Mothers' Group

- Combining mothers' employment and motherhood (Tiedje, Collins) 9

## Writing

- A professional obligation (ed) 7

## Wrongful Life

- Cases on the tort of "wrongful life" (Rhodes) 279

## Zidovudine

- AZT for children with AIDS (Engel) 121

## AUTHOR INDEX

## A, B
